## DESCRIPTION

Manbulloo Homestead is a working cattle property situated on the banks of the Katherine River, 10km along the Victoria Highway west of Katherine. This unique hideaway offers large grassed shady powered and unpowered sites, rooms and cabins set amid tropical gardens.

DDR has been engaged to install a bore and associated infrastructure at the site.

## HIGHLIGHTS

- ▶ The works will be completed with minimal disruption to residents and guests.
- ▶ The new bore will provide domestic and drinking water for residents and guests at the park.
